

## *Mission and Vision Statement*

### **Mission**

The mission of the 9th and 10th Horse Cavalry Buffalo Soldiers Museum is to educate, preserve, and present the history and outstanding contributions of Americas' Buffalo Soldiers from 1866—1944 and this includes WWII.

### **Vision**

- We envision the museum will be a place where American history, and culture exchange is a link to a better community
- We envision being an educational support to the school system in the education of US History and inspiration to the youth
- We envision being a community partner in celebration and military appreciation on Veterans' Day, and Memorial Day to honor all serve men who have served this country
- We envision the museum experience will build deeper understanding of integrity and devotion in appreciation of the motto of these soldiers  
**"We Can, We Will" and "Ready - Forward"**
- We envision the museum will institute and maintain a sense of pride for Black American's and the building of the western frontier
- We envision that the community will come together and learn more about the valor, dedication and integrity of African American Soldiers
