Not everyone can be a hero. Especially during times of war. And those that do, rarely ask for honor or appreciation. That doesn't mean they don't deserve it.

“The soldier, above all other people, prays for peace, for he must suffer and bear the deepest wounds and scars of war.”

—Douglas MacArthur

We invite you to join us as we honor the bravery and suffering of a rare group of men who fought and died for our country.

The Buffalo Soldiers Museum will host their 5th Annual Military Appreciation fund raising golf tournament on August 28, 2020 at Eagle Pride Golf Course. Our goal is to not only pay homage to the rich heritage of what the Buffalo Soldiers did for America but raise critical dollars to enhance the museum experience through our education, preservation and presentation programs, especially our youth education programs.

How can you show your appreciation for the sacrifices these men made?

Become a tournament sponsor. We have several ways in which you can participate and feel good about honoring the bravery of these men.

The good news? Each sponsorship level (except the \$400 level) will receive a team golf slot. In addition, your company will receive recognition signage, a printed listing on the handout, and recognition during the lunch banquet. Sponsorships will also include a continental breakfast prior to the tournament and a complimentary lunch at the banquet.

The tournament will be based on a scramble format. Awards will be given to all members of the first, second place winner, putting contest, longest drive and closest to the pin.

We recognize the country is living through a difficult time – a war of a different nature. However, because war doesn't choose its heroes (the heroes choose the war), we hope you will plan to join us on August 28th to honor the heroes who were known as the Buffalo Soldiers.

Thank you for your kind consideration. We will be in touch soon to answer any questions that you might have.

Sincerely,

Golf Tournament Team
